

This Driver Experience Log is provided, for your convenience, as a tool to help track the progress of a beginning driver. This log may be used as verification of the required 40 hours of behind-the-wheel driving. A minimum of ten hours of behind-the-wheel driving must have occurred during nighttime hours. The teen's parent, grandparent, legal guardian or certified instructor with a federal residential job training program must accompany the teen to the license office when applying for the intermediate license.
